

TOSCA

Model No. 1380

DESIGN DR. PATRIC DRAENERT

TOSCA is a real all-rounder offering a slender silhouette in different heights and surfaces from natural stone or glass. For the glass version, the annular substructure sets an exciting accent on the rather modest, conical metal legs.

Model type	Pedestal	Size
	steel tube conical 2.5 x 1.5 cm coated black	W - L - H approx. in cm
