

ELEFANTINO

Model No. 2033

DESIGN GINO CAROLLO

Small, compact, and sturdy - this fully upholstered chair stands firmly grounded. Its solid presence is reminiscent of a small elephant: strong, grounded, and reliable. Despite its compact form, it never appears heavy, but rather creates interesting sightlines and opens up new perspectives within the room. Thanks to its balanced proportions, it blends harmoniously into any setting and invites you to linger. A chair that embodies both strength and serenity - with a refined design language expressing stability and openness.
