

TRILOPE OUTDOOR

Model No. 1540

DESIGN WOLFGANG C. R. MEZGER

The sophistication of the Trilope turns your outdoor living room into an eye-catcher. The substructure consists of three distinctively profiled solid wooden parts made of robust and weatherproof robinia wood, which has a particularly fine grain. The table top also impresses outdoors with its special shape.

Please indicate in your order:

Note:

When ordering, please indicate that it is the Outdoor version.

Some components of the table are adapted to the requirements for outdoor use.

For soft stones and stones that are "conditionally suitable for outdoor use" we recommend a cover for the winter season.
