DESIGN GINO CAROLLO

The COBE chair, designed by Gino Carollo, combines premium style with exceptional comfort. Its gentle curves and rounded back and seat create a warm, inviting atmosphere. The interior, featuring a softly padded molded wood seat shell and a flexible backrest with lumbar support, ensures exceptional seating comfort. In addition to the four-legged model, COBE is now also available with the popular swivel star base. This base complements the design with a modern, sophisticated look that underscores the retro charm and timeless appeal of the COBE chair.
