

TADAO V

Model No. 1515 V

DESIGN GINO CAROLLO

Our designer Gino Carollo has created a new base made of natural stone for the TADAO table. The 3 star-shaped and 4cm thick stone cheeks seem to intertwine. They ensure the three-dimensional appearance of the TADAO. The rest is hospitality in its purest form: the round tabletop made of natural stone has a rotatable inner plate, so that every guest has the best seat at the table.
